Dear Pastor and Friends,

We thank the Lord daily for those of you who make it possible for us to be here in Kenya and serve the Lord in the place we feel He has called us to serve Him. We thank you for all the prayers you have sent to the Lord on our behalf, especially during some really hard times we have walked through in the past couple of years. We know the Lord was there with us because YOU care for us.

These past two months have really been busy. They have been full of great blessings. Much of the time we plant and water but recently we were able to help in the harvest also.

Pastor Dave Mason and his family from Maryland came to visit us during May/June. They were able to share in our blessings.

On June 1st I preached on baptism at the Karaba church. It was a nice day, weather wise. We had a good group of people there. After the morning service we walked about two and a half miles to the place where they have their baptismal services. Pastor Tom Onyango, pastor of the Juja church, baptized ten people. The water there is a run-off from Mt. Kenya, used to irrigate the rice fields. It was very cold, even though the day was nice.

On June 3rd we had our first graduation ceremony at the Bible Institute in Thika. There were three graduates. Phebe is the wife of Pastor James Musalia at Kabati. She helps her husband in the work there with the ladies and children. Patrick is pasturing the church at Karaba. Samson will soon be starting a new mission church. We are proud of our first graduates.

On June 10th we had our monthly Ladies Meeting at the Thika church. Mrs. Mason taught our ladies about prayer. Then the ladies had fun painting a "prayer box". Later we all had a time of visiting and enjoying some refreshments.

On June 17th many men from all the churches we are working with met at Karaba for their annual Men's Seminar. Pastor Mason brought lessons to the men. They enjoyed a meal and great fellowship.

Please continue to remember us in your prayers. Thank you for your love.
