April 2022

**Co-Workers and Prayer Warriors,
Bible Baptist Church – Greystone**

On the First Sunday of April, we had the privilege of attending the first service of the Bible Baptist Church – Greystone. This work has in the past been known as the BBC – Swani, but God provided a piece of land that we could rent long-term, and the church has erected a temporary building in Greystone as we wait for another door to open. Many of the churches here in Kenya operate for a lifetime in a temporary building, so we envision this to be possibly a long-term solution for the church. It is located on a main road, and easily accessible to people from all directions, including the missionary who could not get there during the rains in the past. We had a grand day and are looking forward to seeing the growth that this move should allow for the glory of God. Pray for Pastor David, his family, and his congregation.

P.S. In the last 30 days, Bill C., and Nancy N., two of our missionary co-workers, lost their battles with cancer. In their Memorial Services we remembered they are no longer in pain. But Kenya now has a void – we need 2 new missionaries – Are you UP TO THE CHALLENGE?
